splication on file here for a considerable period, and have been contacted by him on various occasions in connection therewith. So far we have found nothing suitable for him in the Agency, and it is not possible for me to predict at this time whether a suitable vacancy say occur at any time in the future.

I appreciate the interest which prompted your bringing this satter to my personal attention.

Sincerely,

31 CHED

R. H. HILLENEOETTER
Rear Admiral, USH
Director of Central Intelligence
